Creating Circles with CARD

Creating Circles with CARD is a group that will help individuals with autism and related disabilities navigate relationships while learning and understanding social boundaries and interpersonal skills.

- **Who:** Individuals with ASD ages 16-21
- **Where:** Henderson Haven
(772 Foxridge Center Dr. Orange Park, FL 32065
- **When:** 3-4pm, first Tuesday of every month starting 8/6/24 and ending on 5/6/25 (total of 9 weeks, excluding 1/7/25)

*Limited spots available. Please register for each week you plan to attend. Parents must remain on the premise for the duration of the group. Participants must be able to have back and forth conversations.

For questions or more information, please contact Rina Park at jamie.park@jax.ufl.edu.
